

France BioImaging Image Contest 2017

Terms & Conditions

Organizers	The France BioImaging Image Contest 2017 is organized by the France BioImaging infrastructure.
Deadline	The deadline for receipt of entries is Sunday 26 November 2017 (23h59, UTC+2).
Conditions of participation	Only French or foreign participants affiliated to a French institution can enter the contest. Foreign participants non-affiliated to a French institution can submit images and will be featured in the gallery, but will not be evaluated as part of the contest.
Type of entries accepted	Entries are to be submitted as digital images, to be uploaded via the dedicated contest form on the France BioImaging website. Only individuals, direct owners of the images submitted, can submit entries. One person can submit a maximum of 3 entries. Images in high resolution are preferred (1000x1000 pixels and above). Max file size: 300 MB. File format: JPG, PNG.
Selection procedures	Once the deadline has passed, the entries submitted will be reviewed by a jury composed of members of the France BioImaging Executive Board.
Prizes	The results of the contest will be sent to all participants by email and will be available online on the FBI website in December 2017. 1 to 3 images will be awarded (depending on the quantity and the quality of the submissions). Only 1 prize can be awarded per participant. Laureates will get to choose one prize among the following: - Registration and travel costs (flight from France to Hungary) to NEUBIAS Symposium (31 January-2 February 2018, Szeged, Hungary)* - Registration fees for Focus on Microscopy 2018 (25-28 March 2018, Singapore) - Registration fees for ELMI 2017 (5-8 June 2018, Dublin, Ireland) * Prize winners already accepted to the NEUBIAS Training Schools may request that France BioImaging cover their fees as a prize. However, keep in mind that may you not win a prize, the registration fee for the event will still be due.
Copyright & image usage	The authors of the image remain its sole owners. The organizers reserve the right to reproduce and exhibit the reproduction, in whole or part, in all media (now known or hereafter created) of all submissions to France BioImaging without prior notice to the entrant or copyright owner or payment for such use. All images will be properly credited.
