

BIC's 15th Anniversary

Septembre 27th 2024

Program

9h00-10h00 Bordeaux Imaging Center introduction

Introduction of the BIC foundation 15 years ago by Daniel Choquet, followed by the academic institutions representatives and partner's.

10h00 Session scientifique 1- Optic Microscopy

10h00 **Aude Panatier** - Neurocentre Magendie (NCM, Bordeaux)

10h20 **Laurent Groc**- Institut Interdisciplinaire de Neurosciences (IINS, Bordeaux)

10h40 Coffee Break

11h00 Session scientifique 2- Electron Microscopy

11h00 **Christophe Grosset** - Bordeaux Institute of Oncology (BRIC, Bordeaux)

11h20 **Marie-Pierre Isaure** - Institut des Sciences Analytiques et de Physico-chimie pour l'Environnement et les Matériaux (IPREM, Pau)

11h40 **Christopher Peddie** - Francis Crick Institute (RMS, Royal Microscopy Society)

12h25 Industrial session

5 min talk by **Abelight, Leica, Idylle, Oxxius et Spark lasers**

13h05 Lunch / buffet

14h15 **Ilaria Testa** - Science for Life Laboratory (KTH, Karolinska Institutet Science Park).

15h00 Session scientifique 3- Correlative Microscopy

15h00 **Harald Wodrich** - Microbiologie Fondamentale et Pathogénicité (MFP, Bordeaux)

15h20 **Emmanuelle Bayer** - Laboratoire de Biogenèse Membranaire (LBM, Villenave d'Ornon)

15h40 **Olivier Thoumine** - Institut Interdisciplinaire de Neurosciences (IINS, Bordeaux)

16h00 Coffee Break

16h20 Session scientifique 4- R&D at the BIC

16h20 **Fanny Decoeur/Pierre Dupuis**- (BIC/Zeiss)

16h40 **Mathieu Ducros /Fabrice Harms** (BIC/Imaging Optics)

17h00 **Lysiane Brocard** (BIC)

17h30 Closing remarks by Daniel Choquet

Wine and Cheese
